FUNDAMENTAL ARTICLES.

THE undersigned agree to associate under the name of "THE UNION LEAGUE OF PHILADELPHIA," and to adopt the following fundamental Articles of Association, to wit:

1. The condition of membership shall be unqualified loyalty to the Government of the United States, and unwavering support of its efforts for the suppression of the Rebellion.

2. The primary object of the Association shall be to discountenance and rebuke, by moral and social influences, all disloyalty to the Federal Government; and to that end the associators will use every proper means, in public and private.

3. To meet the necessary expenditures for house rent, furniture, subscriptions to newspapers and periodicals, and such things as may be found necessary for the use of the League, each associator shall pay an entrance fee of Twenty-five dollars, and an annual tax of the same amount.

4. No cards, billiards, or other games, except chess, shall be allowed in the House, and no spirituous liquors shall be kept or sold therein.

5. There shall be a Standing Committee, consisting of nine members, who shall have a general supervision of the concerns

of the League, and who shall be appointed annually at a meeting of the League, in such manner as the meeting may decide.

6. The Standing Committee shall prepare such by-laws as may be necessary to secure a properly and orderly administration of the affairs of the League, which shall be subject to such amendments, from time to time, as the majority of the Association may direct.
